Y.M.C.A. BOYS TO TAKE HIKE TOMORROW

These members of the boys' depart-
ment of the Young Men's Christian
Association who are interested in hik-
ing have been invited to gather in
Cooke hall at 7:15 o'clock this even-
ing, for the association is planning
another trip to the windward side of
Oahu. The hikers will leave the build-
ing at 10 o'clock tomorrow morning
and return Tuesday afternoon.

Charles F. Loomis took a group of
14 Punahou boys to Kaneohe for three
days last week and Tuesday Glenn E.
Jackson gave his Boy Scout patrol its
initial hike to the other side of the
Pali, the night being spent at the
Theodore Richards cottage on Kaneohe
bay. Tomorrow, all the members of
the boys' department who were un-
able to go on either of the foregoing
tramps will have a chance to take a
four day's outing at Kailua beach and
Kaneohe bay. Saturday and Sunday
nights will be spent at Kailua and
Monday morning the hikers will take
a short cut across the mountains to
Kaneohe bay, where there are row-
boats in plenty, where fish are to be
found in abundance and where big
campfires may be built on the shore
at night.

REPUBLICAN NATIONAL COMMITTEE REDUCES CONVENTION DELEGATIONS

Details of Action That Deprives Hawaii of Six Votes for Nominations

Republican party plans for the fu-
ture were outlined by the national
committee meeting at Washington last
week. The following details arrived by
mail from the committee, and it is in-
teresting to note that while all of the
conventions have been taken away, Alaska
still gets two voting delegates.

WASHINGTON, Dec. 17.—The Re-
publican national committee concluded
tonight its labor for reform in party
procedure, and launched its campaign
for a reunion of warring elements, by
adopting a resolution providing for a
radical change in the basis of repre-
sentation in national nominating con-
ventions, which would reduce the quota
of southern states from 23 to 18 per
cent of the convention's total.

The action of the committee, criti-
cized in vigorous terms by several of
its members, but made unanimous be-
fore adjournment, must be endorsed by
states entitled to cast a majority of
votes in the electoral college before it
becomes a party law.

In order that such action shall be
taken as promptly as possible, the
committee appointed a sub-committee
of three, consisting of Charles B. War-
ren of Michigan, Senator Borah of
Idaho and Governor Hatfield of West
Virginia, to prepare an address to the
states, urging immediate ratification of
the proposal.

This address will be drawn up short-
ly after the Christmas holidays, and
leading members of the committee
hope tonight that it would be met by
early action. Approval by the states
will insure a call from the national
committee for the national convention
of 1916 along the lines laid down to-
day.

The reorganization plan adopted
came as a compromise which reflected
the views of many committeemen that
southern representation should be re-
duced, but not brought to the vanishing
point. It reads as follows:

"Confident that the action of this
committee, representing as it does
practically the unanimous sentiment
of the Republican electors of the
states, will be ratified by the Repub-
lican electors of the states.

Each state shall be entitled in con-
vention to four delegates at large; and
one delegate at large for each repre-
sentative in Congress at large from any
state; one delegate from each con-
gressional district in which the vote
either for presidential electors in 1908
or for the Republican candidate for
Congress in 1912, shall not have been
less than 7500, and that for each dele-
gate chosen an alternative delegate
shall be chosen in the same manner
and at the same time to act in the
absence of the delegate.

"Provided, however, that the above
basis of representation shall not be
made the basis of the call for the na-
tional convention to be held in the
year 1916, unless, prior to January 1,
1915, Republican state conventions,
held under the laws of the states, or
called by the Republican state com-
mittees of the states in such number
of states as are entitled to cast a ma-
jority of the votes in the present elec-
toral college, shall ratify the action of
this committee in respect to deter-
mining this basis of representation."

The vote on the resolution was 38
to 7.

Reductions by New Plan.
According to the figures submitted by
the sub-committee, the new plan
would reduce the total number of dele-
gates from 1078, as in 1912, to 992.
Under it these states would lose dele-
gates:

Alabama 2, Arkansas 2, Florida 4,
Georgia 10, Illinois 2, Kentucky 1,
Louisiana 7, Mississippi 2, New York
4, North Carolina 3, Pennsylvania 2,
South Carolina 1, Tennessee 2, Texas
15, Virginia 9, Hawaii 2.

The southern states would have
164 delegates in all.
The District of Columbia and Alaska
were provided with two delegates each
by separate action, and the Philip-
pines, Porto Rico and Hawaii were
also given two each without the right
to vote.

R. B. Howell of Nebraska led the
fight against the resolution. He said
Republican voters would not be sat-
isfied with a reduction of the sort
proposed, and pointed out the compar-
ative strength of the delegations from
several Northern and Southern states
under it, giving also the percentage of
votes cast in these states to show the
Republican weakness below the Mason
and Dixon line and the strength above
it.

Howell proposed as a substitute one
of the plans submitted by the Repub-
lican national committee, which pro-
vided for four delegates at large from
each state and one delegate in addi-
tion for each 10,000 voters or major
fraction thereof cast for the Republi-
can candidate for presidential elec-
tors in 1908. This plan would reduce
Southern representation to 119 dele-
gates.

Howell was opposed by Senator
Borah, former Governor Hadley, hold-
ing the Louisiana proxy; Committe-
men Rummel of Arkansas and Mc-
Gregor of Texas and H. L. Johnson, a
District of Columbia negro, who held
a proxy from the state of Georgia. On
a vote Howell's motion to substitute
the congressional committee's plan
was beaten 40 to 5; Nebraska, North
Dakota, Pennsylvania, South Dakota
and Wisconsin voting in the affirma-
tive.

The plan of the sub-committee to
recognize primary laws and change
the rules governing conventions was
adopted by the National Committee by
a unanimous vote. On a point raised
by Committeeman Chubb of Florida, it
was announced that the resolution
would be changed so that in states
where it is optional whether a party
shall hold primaries for the election
of delegates they shall be elected in
the old manner and the primary plan
shall be observed only in states where
the law provides specifically for such
action. The sub-committee's report on
primary and procedure was, in part, as
follows:

"Be it resolved, That this committee,
when it issues the call for the national
convention to be held in the year 1916
to nominate candidates for president
and vice-president, shall provide in
such call:

(a) That in any state which shall
have provided by law, prior to the
election of delegates from such state,
for the election of such delegates to
national conventions of political parties
at direct primaries, such delegates
from that state shall be elected in con-
formity with such laws.

(b) That all delegates from any
state may be chosen from the state at
large, or part from the state at large
and part from Congressional districts,
in conformity with the laws of the
state in which the election occurs.

(c) That delegates presenting cer-
tificates of election from the canvass-
ing board or officers created or desig-
nated by state laws to canvass the re-
turns and issue certificates of elec-
tion to delegates to national conven-
tions of political parties, in a primary
election, shall be placed on the tem-
porary roll by the national committee.

The committee adjourned with in-
set plan for future meetings and prob-
ably will not convene again until 1916.

HEADACHY, COSTIVE, BILIOUS,—"CASCARETS"

Sick Headache, Bad Breath, Sour
Stomach, mean Liver and Bowels
are clogged—Cheer up!

Get a 10-cent box.

Sick headache, biliousness, dizzi-
ness, coated tongue, foul taste and
foul breath—always trace them to
torpid liver, delayed fermenting food
in the bowels or sour, gassy stom-
ach.

Poisonous matter clogged in the in-
testines, instead of being cast out of
the system, is re-absorbed into the
blood. When this poison reaches the
delicate brain tissue it causes con-
gestion and that dull, throbbing, sick-
ening headache.

Cascarets immediately cleanse and
regulate the stomach.

Sour, undigested and fermenting food
and foul gases, take the excess bile
from the liver and carry out all the
constipated waste matter and poisons
in the bowels.

A Cascaret tonight will surely
straighten you out by morning. They
work while you sleep—a 10-cent box
from your druggist means your head-
ache, stomach sweet and your liver
and bowels regular for months.—ad-
vertisement.

TELLS ILLINOIS OF OUR 'MAGIC ISLANDS'

The Geneva (Ill.) Republican of
December 13 publishes the following:
It must have been intensely grati-
fying to Mrs. Fannie W. Krause last
evening when she stepped onto the
stage at the City Auditorium, and
was given a hearty ovation by the
largest paid audience that has attend-
ed the Auditorium since its comple-
tion. It was a compliment, to a woman
who was born in the very block
upon which the new city building
stands.

And everyone present was well re-
paid. Mrs. Krause is an interesting
and enthusiastic descriptive lecturer,
and has a subject that offers a world
of new facts about the wonderful Ha-
waiian Islands from which she comes.
Dressed in a costume of the better
class of the natives, surrounded by a
stage decorated with the articles
made and grown in these several
isles, together with the views of the
people, scenes, cities, churches,
schools and agricultural pursuits, to-
gether with a personal experience of
several years, all combine to provide
one of the most pleasing and instruc-
tive lectures ever presented to a
Geneva gathering. The writer can
most heartily recommend Mrs.
Krause and her lecture to any com-
munity she may arrange to give it,
as one filled with a delightful story
of those magic far away islands.

This afternoon Mrs. Krause will
give her talk before the several hun-
dred girls at the State Training
school in this city.
